Bill Factsheet

Prisoners Legal Services' Racial Equity in Corrections Initiative (REICI) advocates for equity and the humane treatment of Black and Brown incarcerated community members. This year, REICI is supporting legislation, "An Act creating an independent correctional oversight office to facilitate the recommendations of the Special Legislative Commission on Structural Racism in Correctional Facilities of the Commonwealth," which would help dismantle structural racism in the MA DOC. The bill is sponsored by Senator Miranda and Representatives Holmes and Uyterhoeven. Please join us to learn more!
